**Autumn spectacles with street art, olives and wine**

**Darmstadt, 15 September 2016.** When autumn starts and the leaves turn colorful, the Green Pearls® hotels have exciting events to offer. A traditional autumn festival at Lake Constance and the olive harvest in Liguria are worth a visit.

**Autumn festival at Lake Constance**

On 2 October 2016, Schloss Wartegg in Switzerland celebrates its traditional autumn festival. Directly at Lake Constance, guests can look forward to a colorful market with joyful jesters and street artists, who enchant with breathtaking juggling acts, cabaret and live music. Informative tours through the historic castle garden complete the autumn festival experience.

Numerous market stalls have a diverse offer of regional products. Whether organic wines, fish specialties from Lake Constance as well as natural cosmetics, jewelery and other handmade products. Visitors of the autumn festival will be spoilt with culinary delights from Schloss Wartegg’s castle kitchen and the ProSpecie Rara garden.
**Italian Olive Harvest**

In October, the harvest of the Taggiasca Olives starts in Liguria. The green gold grows since over 100 years on dense olive groves surrounding the Green Pearls® hotel Agriturismo L’Adagio in Badalucco. Here, the charming hosts Rosella and Franco Boeri produce the exquisite "ROI" oils in their own mill. Their oil „Carte Noir“ has been described as best olive oil in the world. Guests of Agriturismo L’Adagio are more than welcome to taste the first pressings of the year and learn more about the production process of the superbe oils.

Especially in November L'Adagio is worth a visit, when the olive oil festival takes place. Gourmets from all over the world come together from November 11 until 13 in the beautiful port city Imperia to celebrate "OliOliva". From 9 am until sunset, the streets of the old town are full of producers from all over Italy.

Also in October, culinary delights await the visitors of L'Adagio. From October 14 until 17, the popular city Sanremo at the Italian Riviera, celebrates the "Wine Festival", where more than 600 wines from 100 Italian producers will be presented.

The German Green Pearls GmbH with place of business in Darmstadt, Germany unifies international tourism companies that support environmental protection and demonstrate social commitment. Thereby, Green Pearls is the first holding company worldwide that consolidates sustainable hotels, a destination and restaurants in a global data source.

Among the criteria of admission to Green Pearls, are a sustainability plan on management level, sustainable architecture, comprehensive water, energy saving and waste recovery measures, the use of seasonal and regional ingredients in the kitchen, as well as a large commitment for the social balance in each of the vacation regions.
