VACATION LIVING AT GREEN PEARLS

Darmstadt, 16 September 2015. Travelers, who like to take care of themselves on vacation, will now also make a find at Green Pearls®! Four very individual and amazing accommodations for vacation living are now available at Green Pearls®.

With vacation rentals, the Green Pearls® portfolio is extended with more unique and sustainable options that make time-off greener, each in their own way.

Germany

Architecture lovers and travelers looking for a peaceful and unique place just right for their needs will find it at Hofgut Hafnerleiten. 11 individual and completely different designed and styled vacation houses, 3 with own kitchen, offer something for everyone’s taste and wishes. Guests can indulge in the wonderful restaurant that is filled with ingredients from the own garden and the region.

Bit by bit, Ingrid Haidl-Madl modernized a 300 year old farmhouse to three lovely and stylish furnished vacation apartments. With the preservation of old elements and the addition of modern, ecological criteria and design, the vacation rental in the Bavarian Forest is a calming combination of tradition and modernity.
Austria

Far away from daily stress in the Austrian region of Saalbach Hinterglemm lays the green Bachgut das Resort am Berg. At 1550m height, guests can enjoy the fresh mountain air and relax in private wood saunas or hot pots in the individual cottages. The main house offers additional modern vacation apartments and with their own solar power system and drinking water power plant, the resort is provided with energy and water.

Spain

With Utopian Retreats, a Moroccan styled finca in Southern Spain with 15 bedrooms is in the Green Pearls® portfolio. The accommodation that can be rented exclusively has a wide range of yoga and meditation offers and is carbon-neutral. With 33 acres of Spanish gardens, the resort in Andalusia is the perfect place for relaxation.

The German Green Pearls GmbH with place of business in Darmstadt, Germany unifies international tourism companies that support environmental protection and demonstrate social commitment. Thereby, Green Pearls is the first holding company worldwide that consolidates sustainable hotels, a destination and restaurants in a global data source.

Among the criteria of admission to Green Pearls, are a sustainability plan on management level, sustainable architecture, comprehensive water, energy saving and waste recovery measures, the use of seasonal and regional ingredients in the kitchen, as well as a large commitment for the social balance in each of the vacation regions.
